In House Group Chair Massages

Magnolia Spa offers Chair Massages for our In House Groups and their Attendees. Chair Massages, just like any other massage, help in decreasing blood pressure and stress levels, and increase the secretion of endorphins. We have found in the past that attendees who do receive a chair massage during their breaks, were more energized for the rest of the conference. We offer Chair Massages for a \$1 a minute, but you can purchase 60 minutes for \$55 for your conference. We will set up on site to accommodate you and your attendees. For scheduling and booking of the Chair Massages, please give the spa or myself a call at 912-373-2039.

Thank you and we look forward to your visit.

Body Treatments

Golden Body Ritual

This magical body treatment is the ultimate indulgence for the senses, each phase immersing you in the delicate combination of golden mineral dust and Egyptian Chamomile. Your journey begins with a gentle exfoliation. Next, a buttery, warm cocoon moisturizes and re-mineralizes every inch of your skin while your scalp and feet are massaged. When you emerge, gold-flecked body oil is lightly massaged into your skin. As the finishing touch you are dusted with a luminous golden powder.

Body Polish

This ultra-nurturing treatment begins with a gentle body exfoliation using floral extracts to remove dry cell build up. The body is then massaged with a relaxing Floral Essence followed by a moisturizing serum that will nourish the skin on every level.

Seaweed Rejuvenation Wrap
